Welcome Back!

Dear all,

Welcome back to another (very short) term at Lydiard Millicent After School Club.

The next ASC committee meeting is on Wednesday 11th May at 6pm in the after school club.

Legally the club cannot operate without a committee and the committee is formed by parents who give up their time (approximately 6 hours a year

each) for the benefit of every member of the club to ensure its continued success.

They also have control over issues such as fee structure, opening hours etc.

Please come along to the next committee meeting as it always seems to be the same few faces at each one giving their time freely.

Activities

As you may have noticed, the club is quieter than normal without its usual waiting list.

This means that although the club is still financially sound, not so much money is being spent on consumables such as craft materials and paper.

Despite an appeal for junk modeling resources in January, none have been forthcoming and junk modeling is a favourite activity with the children.

Therefore, PLEASE can we have your junk instead of throwing it out for the recycling team? You will get it back eventually in a different form and can give it to the recycling then!

Dates for your diary.

ASC Committee meeting: 11/5/2011 6pm
All welcome at the after school club. Please support your club.

Term dates: 26th April- 19th July 2011.
May break May 30th- June 3rd inclusive

AOB: Does anyone have a monopoly game that you can donate for the children who have requested one?

Please remember that we will be playing with water this term (hopefully). Towels will be handy! Please send in a change of clothes on hot days if you would prefer your child not to use a PE kit.
