Dear all,

Welcome back to another term at the after school club. We hope you had a good Christmas break and wish you all the best for the forthcoming year ahead.

The previous term was very busy with a variety of different activities that the children chose to participate in.

The children seem to be practicing for an entry into Lord Sugar's young apprentice programme at the moment with repeated requests to organise different sales.

During the last term the children have organised a Halloween cake and pumpkin sale. Some children have enjoyed the actual cake making, others have shown a flair for advertising with their poster designs and still others are showing promise with their salesperson spiel! As a result the children raised £80 which they then decided to spend on a football net which has been very popular, particularly with the older boys.

The children also requested that we have an entry in the Lydiard village art exhibition. Many different designs were considered and until the day of

actually putting the design onto canvas it was going to be a dragon theme. However, on the day, the Halloween theme took over and children went with that instead.

The children also asked for a table at the school Christmas craft fayre. They then busily made mince pies, friendship bracelets and sold Christmas stockings where they made £100.

The children have not yet decided what to spend the money on but suggestions include a pet dog which the children insist can spend weekends and holidays at their homes as their parents won't mind! I don't think we will be going with this suggestion.....

Our next committee meeting is on Tuesday 14th January at 6pm. Please feel free to join us as the club is run by parents for parents and this is when decisions affecting the club are made.

Thankyou for all our cards, Christmas gifts and wishes at the end of term. They are greatly appreciated.

We look forward to working with you over the coming term.
