Dear all,

We hope you have all had a great summer break and look forward to seeing you all back at the after school club in the next few weeks.

Perhaps you could send in some photos of what you did in the summer such as days out, holidays, visits to relatives etc and we could design a club collage for the cloak room.

The staff at the after school club would like to say thankyou for the very kind gifts, cards and words that we received at the end of term. They are all greatly appreciated.

At the end of term we said goodbye to Keron, Rhys, Joshua and Niamh who are all now going to 'big school'. We also said goodbye to Harry who is now going into Year 8. We wish them every success in the future.

We are also looking forward to several new friends at the after school club. Georgia, Violet, William, Jaya, Harry and Jasper will all be joining the club in the next few weeks and we look forward to welcoming you all.

As you will be aware the children spent much of their time during the term planting, watering and generally caring for a variety of plants that they sold in a plant sale at the end of term. Plenty of plants were sold and the children raised around £20. They will now be invited to decide what resources to buy for the club with their profit.

We were lucky enough to have plenty of hot weather at the end of the term and we took full advantage of the opportunity by having lots of fun with the waterslide.

Unfortunately, our club camera went missing during the plant sale and so we have been unable to update the club blog for a while.

We will be purchasing a new one for the start of term and adding photos of the children participating in activities on there. If you would not like your child included in these pictures could you just drop me an email and I will ensure they are not on the blog. Have you checked out the blog recently? If not you can access it at

During the first few weeks of term the school will begin sorting out activities for the children after school. Please can you let the after school club know if your child is going to be attending any of these activities so that we can collect them at the right time? For your peace of mind, we ensure that enough staff are available to collect all children at 3pm in case the after school activities are cancelled because of bad weather, illness etc.

A few reminders:

We have a new committee, Stephanie Wakefield is our new chair.

Fees have increased:

3-6 £11.00

3-6 second child £10.75

3-5 £8.50

3-5 second child £8.25

3-4 £4.75

The annual registration fee is now £5.00 per family.

The late payment fee is £10.80

The late collection is £8.50 per child per 15 minutes after 6pm.

Do you have any toys, resources or equipment that your children have outgrown or don't play with anymore? Could

you donate them to the after school club, particularly toys and games for older children. We are a registered charity and try to keep costs down where possible.

AOB:

Please keep Caroline up to date with any changes to your email address so that you continue to receive ASC correspondence.

Have you changed your telephone number, either home or mobile or moved house recently. Please can you let the club know? We are not always able to contact parents on the emergency contact numbers that we are given. Could we get hold of you at all times if we needed to? If not, could you give us other numbers that we could try too?

Please book last minute places (any time the same day) via 01793 772981 as we cannot guarantee that emails will be read before after school club starts.

Kind regards  
LMASC
