April 2017

Dear all,

I hope everybody has had a great Easter break and didn't over indulge with the chocolate.

Last term we held an Easter drawing competition. Well done James Eite who was our winner. Josiah Horne and Joshua Trowbridge were the runners up. Don't forget to pick up your prizes when you're next in.

### Staff changes

Some of you may already know Sally Ballard from school, she has now joined us on a Tuesday along with Joshua Fowler and Alex Gattensby. Joshua and Alex are both from Royal Wootton Bassett Academy and are currently taking their Duke of Edinburgh awards.

### Next Term

As the weather hots up in the summer please make sure the children have a change of clothes and a towel for water play. PE kits are not allowed to be worn (by the request of the school).

We will be hatching chicks again next term (always popular with the children) Please let Caroline know if you would be happy to look after them over a weekend once they've hatched. We have had a very large pallet of toys, games and crafts delivered. Some of the children have already enjoyed sorting and playing with these. We are hoping to organise a visit from the ice cream van and a pizza delivery next term.

If anyone knows of a friend or relative that would like to come in to show the children how to paint, cook or do an activity they are more than welcome.

### Role play corner

Our role play corner will be a garden centre next term. The children really enjoyed decorating and planting their pots for Mother's Day. We will be planting poppies and forget me knots in the garden

### September bookings

As you may have noticed the club is exceptionally busy on some days. In July our year 6's are leaving to go to big school which will ease pressure on places for a while. If you need to book extra sessions from September let Caroline know as soon as possible so that she can book your sessions before the new reception children request places in June/ July.

### Clubs

Please can you let the club know if your child is going to be attending an after school club at the school in the new term. There are a few new clubs starting after Easter and we do not know which children have been allocated spaces in which club.

### Committee meeting

Did you know that that the after school club is a registered charity and needs an elected committee to operate? Our next committee meeting is on Wednesday 3<sup>rd</sup> May at 6pm. We would love to see more parents attend and everybody is welcome. The club is run by parents for parents and this is when the decision making happens. If you would like to a part of this then come along.

Our AGM this year is on Wednesday 28<sup>th</sup> June at 5pm. Please try your hardest to attend this meeting as we need parents to keep the club open.

### AOB

Please keep Caroline up to date with any changes to your email address so that you continue to receive ASC correspondence.

Have you changed your telephone number, either home, work or mobile or moved house recently? Please can you let the club know? We are not always able to contact parents on the emergency contact numbers that we are given. Could we get hold of you at all times if we needed to?

Have you checked that your child's medication is on site and in date? If your child has recently been diagnosed with asthma, an allergy or similar have you ensured that after school staff have all necessary medications? We cannot access the medication that is kept at the primary school. Please arrange for this to be available at the after school club if necessary.

Kind regards

LMASC
