Septmeber 2016

Dear all,

I hope everybody has had a great summer break and you are all refreshed and looking forward to a new school year.

This term we say hello to a few new children, Brooke Wilson from reception and Archie Laidler in Year 1. We look forward to welcoming them into the club.

Activities

This term, as usual we will be encouraging the children to plan their own activities rather than deciding for them. However, we will be celebrating autumn and halloween through leaf painting and pumpkin scooping and probably baking blackberry and apple pies with local produce if the children want to.

During the last term the children enjoyed a visit from the ice cream van. This was as a result of a suggestion from a parent. Do you have any suggestions for enrichments activities for the children? They don't have to be free, we are able to pay for resources and visitors time within reason. Do you know a local artist who could paint with the children, a carpenter who could make birdboxes or a sculptor who could help the children make models as examples?

If so, please speak to Caroline with any details that you may have.

Additionally, we would like to undertake more chick hatching (always popular with the children) but we don't hatch eggs unless they have a confirmed home to go to. Do you know anyone who could/ would like to rehome some chicks this term?

Clubs

Children will soon be signing up for the new clubs available at school. Please let the after school club know as soon as you hear which clubs your child is attending so that we know what time to collect them.

Committee meeting

Did you know that that the after school club is a registered charity and needs an elected committee to operate? Our next committee meeting is on Tuesday 27th September at 6pm.

Invoices

Have you received your invoice for this term? A server crash resulted in some invoices not being received. If you have not received your invoice speak let Caroline know so that she can reissue it

AOB

Please keep Caroline up to date with any changes to your email address so that you continue to receive ASC correspondence.

Have you changed your telephone number, either home or mobile or moved house recently? Please can you let the club know? We are not always able to contact parents on the emergency contact numbers that we are given. Could we get hold of you at all times if we needed to?

Please remember to check that any medication that your child uses whilst at the club remains in date and replace as necessary.

Kind regards

LMASC
