January 2018

HAPPY NEW YEAR

I hope everybody has had a great Christmas break and didn't over indulge with too much chocolate and alcohol... any spare chocolate or alcohol is always welcome.... ☺

The staff would also like to say thank you for all the seasons greetings, cards, biscuits, chocolate, wine, smellies etc received at the end of term.

LAST TERM

Last term we held a Christmas drawing competition. Well done Ella Pett who was our winner and Evie Williams who was a close runner up.

We also had great fun in the snow. Sledging, snowball fights and snowman building.

A lot of the children made 'dens' in the garden using the torches when it got too dark to see.

Pauline made mince pies, scones and jam tarts with the children. This was a great success.

We played Pie Face (a game) with squirty cream, bingo and made our own slime...

Some of the children made their own jelly slushes to eat.

We also purchased an Amazon Echo for the children to listen to their favourite songs and a new television and subscribed to Netflix. The children have enjoyed a few movie and popcorn evenings with a Christmas film.

This Term

We hope we will be hatching chicks again next term (always popular with the children)

Please let Caroline know if anyone would be happy to look after them over a weekend once they've hatched. We already have a permanent home arranged for them on a local farm.

Jonathan's Jungle Roadshow has been scheduled for next Tuesday 9th January at 3.30pm.

If anyone knows of a friend or relative that would like to come in to show the children how to paint, cook or do an activity they are more than welcome. There is no ongoing commitment required.

Role play corner

Our Role play corner this term is a Chinese restaurant to tie in with the Chinese New Year. We will have lantern making activities and chop sticks to see if the children can use them for eating snack

Clubs

Please can you let the club know if your child is going to be attending an after school club at the school in the new term. There are a few new clubs starting after Christmas and we do not know which children have been allocated spaces at which club.

Committee meeting

Did you know that the after school club is a registered charity and needs an elected committee to operate? Our next committee meeting is on 24th January at 6pm. We would love to see more parents attend and everybody is welcome. The club is run by parents for parents and this is when

the decision making happens. If you would like to a part of this then come along.

AOB

Please keep Caroline up to date with any changes to your email address so that you continue to receive ASC correspondence.

Have you changed your telephone number, either home or mobile or moved house recently? Please can you let the club know? We are not always able to contact parents on the emergency contact numbers that we are given. Could we get hold of you at all times if we needed to?

Kind regards

LMASC
